TOMBALL MEMORIAL HIGH SCHOOL Cheerleaders

The National award winning Tomball Memorial High School Cheerleading Team began seven years ago with a dream that has grown through much hope and hard work.

Through the participation in the great sport of cheerleading, the coaches of the TMHS Cheer Team strive to promote leadership, good sportmanship, personal integrity, accountability, self-esteem, team cooperation, and the spirit of volunteerism through community activities.

Each year we have strived to move our program forward by implementing scholarships for our cheerleaders, adding a workout program with our own equipment to help them understand positive body image, and maintaining a "family style" of sisters to establish that team bond.

We are up for the challenge and proudly represent our community on local and national levels.
